Press Release 2023.08.08

AlphaGen Private Equity Fund to invest \$ 50 million into doublejack's DJCK Gold and Asset Backed Token

The Alpha Gen Private Equity Fund represents an innovative approach to investment, leveraging the transformative power of blockchain technology to create a tokenized private equity fund. This model enhances traditional unit trust structures by offering improved transparency, fractional ownership, and liquidity. The decentralised nature of blockchain technology allows investors to trade tokens peer-to-peer at any time, democratizing access to private equity investments, and potentially appealing to a broader range of investors.

AlphaGen, in cooperation with Pronexus, have committed to invest a first amount of \$ 50,000,000 into doublejack's DJCK token in this fiscal quarter. Given doublejack's trajectory and potential, our organization has been selected as an ideal candidate for potential fundraising via AlphaGen's innovative fund.

Pronexus, with Registration Number 2020/059618/07, is an Authorised Financial Services Provider (FSP 51616), a Registered Credit Provider (NCRCP17518), and a Treasury Outsourcing

Company registered with the South African Reserve Bank (SARB). Furthermore, Pronexus is registered as an accountable institution with the Financial Intelligence Centre with ID number

54269. It is also a Crypto Asset Service Provider (CASP) and operates within the interim regulatory regime for South African CASP FSPs. Pronexus' operations align with the Financial Advisory and Intermediary Services Act (FIAS) of 2002 (act no. 37 of 2002).
