Change the game today.

Our unparalleled affiliate SaaS technology platform provides lifetime follower targeting, identification, exciting engagement, multiplication and exclusive, compounding monetization in a legally safe environment for your club. Contrary to any other income streams, our follower monetization program is fully pandemic and economic crisis proof.

We share 100% of your (KYCed & AMLed) follower data and up to 75% of our revenue with you for a lifetime. Gain democratized access to the growing trillion dollar industry of iGaming. We actively care for responsible gaming beyond legal requirements.

Until this day you are separated from your social media followers by alternating algorithms of the platforms. All your current followers in fact belong to various social media platforms and mostly follow multiple clubs. Now you can own all your social media followers exclusively in your database and subsequently as an asset on your club's balance sheet.

Set it up in one hour.

No logo representation required | No VIP tickets needed | No sponsoring package spendings.

Amplify your club's TOP-LINE by your usual social media performance marketing while keeping „BOTTOM-LINE“ little or not affected.

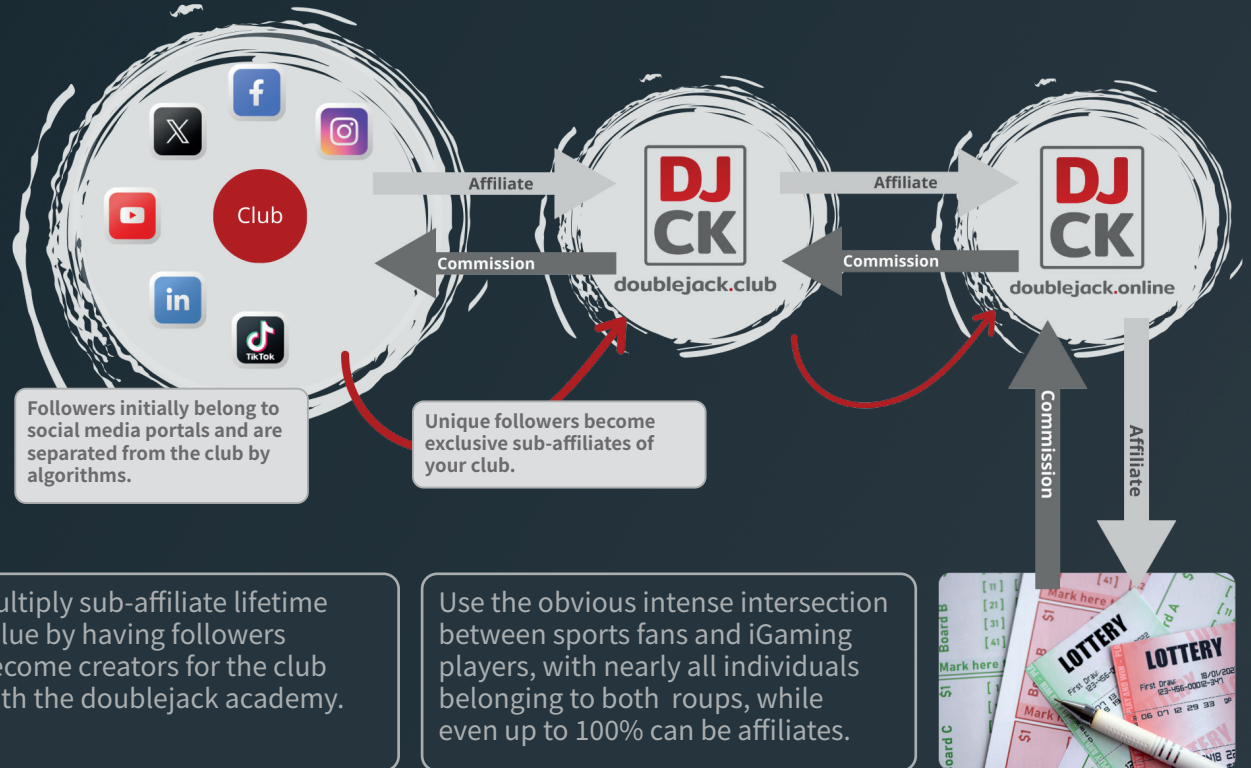

Club creates compounding lifetime cash flow from followers through performance marketing partnership (not sponsoring).

One lottery line per month by a follower finances the club with US\$ 3,75 on doublejack.

At least 5% of followers spending 12 times US\$ 3,75 per month generate a yearly cash flow for club starting from day one.

Multiply sub-affiliate lifetime value by having followers become creators for the club with the doublejack academy.

Use the obvious intense intersection between sports fans and iGaming players, with nearly all individuals belonging to both groups, while even up to 100% can be affiliates.

Generate lifetime results.

Make your club's and your players' followers an exclusive asset on your balance sheet from day one. You play for your fans. In return your fans will love to play to support your club's goals.
