

DoubleJack FACT SHEET

Company Overview

Name: doublejack

Operating Entities: doublejack.world, doublejack.club, doublejack.online

Registered Location: British Virgin Islands

Parent Company: DJCK Token Proprietary Limited, registered in South Africa

Key Operations: Digital Currency and iGaming platform

Business Model

doublejack operates in the digital currency sector and iGaming with its native token, DJCK. The company aims to revolutionize the digital currency landscape with its robust, AI-enabled platform that offers a secure, scalable, and user-friendly environment for digital token transactions.

Strategic Partnerships

doublejack has a strategic partnership with Orbiko Solutions Limited, which has developed a gold-backed cryptocurrency, OSGT. The DJCK token is priced based on the value of the OSGT token, merging the stability of gold with the flexibility and reach of digital currencies.

Financial Audits

doublejack appoints an independent auditor to audit its financial statements every 12 months. As part of the agreement with Pronexus, 1% of total revenue is allocated to token allocation and placed under the care of Pronexus Treasury.

Technological Advancements

The company aims to integrate cutting-edge technologies such as Artificial Intelligence (AI) and Machine Learning (ML) into its platform to enhance service delivery efficiency and enable vast data analysis for improved customer outcomes.

Expansion Plans

The company plans to develop a user-friendly application, revamp its user experience, and strengthen its technological infrastructure. doublejack also aims to broaden its partnership opportunities and establish a dedicated sales team for partner services.
